**25th Anniversary**

serving abused and traumatized children in our community  
And the celebration of our Permanent Home

**Justice. Healing. Hope**

Luncheon Details Inside.

**Dear Children's Safe Harbor Supporter,**

**For 25 years we have been working to end child sexual abuse with your help and belief that when children receive the proper investigative services and mental health treatment they can heal and lead healthy and whole lives.** Our team continues to see an increase in violence and trauma for the children referred to our advocacy center. Children's Safe Harbor is the only organization in our communities that coordinates with local law enforcement, children's protective services, and medical and behavioral health care systems to provide effective, efficient, and child-centered investigations and healing services.

To celebrate this milestone of serving over 26,000 abused and traumatized children and their families, **we invite you to this fundraising luncheon where we will share the plans and progress of our new facility, Children's Safe Harbor's Permanent Home.** Please join me and our Co-Chairs, Kim and Scott Perry, who have been instrumental in bringing awareness to our community. Their inspirational and personal story highlights that child abuse isn't someone else's problem, it is our community's problem!

Your sponsorship will contribute to the monumental groundbreaking of our new permanent home. This new facility will give our mighty team of heroes more capacity and space to provide safety and healing to the exploding numbers of children that need us. **It's more than a building, it's a gateway.**

With gratitude,  
Victoria J. Constance, Ph.D.  
Executive Director and CEO of the Board of Directors

**Kim and Scott Perry**  
Co-Chairs

Kim and Scott Perry graduated from Conroe High School and together attended Sam Houston State University. They were engaged their sophomore year and have been married for 33 years. Both have established careers within the community, where Kim serves as a Certified Court Manager for a State District Judge, and Scott serves as Assistant Director of Parks and Recreation for the City of Conroe. Kim and Scott share a passion for service, and are actively involved in the Conroe Noon Lions Club, Texas Lions Camp, and of course, Children's Safe Harbor.

Kim and Scott have three beautiful daughters, two fantastic sons-in-law, a curious two-year-old grandson and an adorable six-month-old granddaughter. Each holds a special place in their hearts.

The Perry's were introduced to Children's Safe Harbor when their stable, happy life was disrupted by their eleven-year-old daughter being victimized by a family member. The reality of the experience was devastating and life altering, but Children's Safe Harbor was lifesaving and facilitated recovery. Armed with the power of experience, Kim and Scott have committed to advocate on behalf of Children's Safe Harbor and its mission to shine light on the darkness of abuse and bring healing to those children and families whose lives have been turned upside down.

## **Our Permanent Home**

**Situated on 17.6 acres amidst clusters of mature trees in Conroe, TX, our new home will bring the lightness of hope to abused children and their families and serve as a sanctuary to the heroes who are called to protect them. Our current space, which once enabled our work, now limits it due to the skyrocketing need for our services in Montgomery County. Through the investment of community leaders, donors and partnerships, we are halfway to the financial goal of construction costs of the gateway with anticipated ground breaking in fall of 2023.**

**Join us in the journey to end childhood trauma and abuse. We know the way, and we have the solution.**
