NEW BUILDING GRAND OPENING & OPEN HOUSE

CSH Executive Director,
Victoria Constance, Ph.D
with M.W. Raborn L.
Reader Jr., Grand Master
of Masons in Texas.

On Friday, November 14, 2025, a private open house was attended by donors, members of partner agencies, staff, board members, supporters, and several key elected officials and community leaders. The special highlight of the day was a Masonic Cornerstone Dedication Ceremony presided over by M. W. Raborn L. Reader, Jr., Grand Master of Masons in Texas. The ceremony reflected centuries of Masonic tradition and symbolized the organization's enduring commitment to community, integrity, and service. Masonic cornerstone ceremonies have been performed for hundreds of years across the United States and Texas, marking the dedication of courthouses, schools, churches, and public buildings. The laying of a cornerstone represents a foundation built on enduring principles, truth, charity, and faith.
